Re: Hunting Bank Construction Update

Construction of the Huntington Bank space will commence on August 2nd. Work on the site will typically commence around 7:00am and finish around 3:00pm. Residents should expect an increase level of noise associated with construction sites. There will also be an increased commercial traffic while this project is in effect. If service interruptions must occur the office staff will make every attempt to notify residents within 48 hours prior to the interruption.

I would like to thank you in advance for your assistance regarding this exciting endeavor at the Triangle. If you have any additional questions or concerns please contact the housing office at 216-791-5959 or via email at brook@capstonemail.com.
